

Dear parents, and guardians, of students in 2IB

I would like to welcome you to our parent information evening, which will be held on **Tuesday 10th September** between 18.00 and 19.00.

The session will be held in room M204 and will include general information about the programme, subjects available, the new math options, how the students are assessed, and the class environment.

Later in the school year we will hold a second meeting where there will be the opportunity to speak to the subject teachers individually about your child`s progress.

Welcome

Gillian Boniface

Head of International Baccalaureate Diploma Programme
